WHY FEEMIO

REDEFINING GLASS PACKAGING PARTNERSHIPS

Our mission is to enhance our customers' profitability through innovative packaging solutions and exceptional service.

WE ARE A VERSATILE SUPPLIER

Offering an all-in-one package for glass bottle manufacturing and packaging needs. Our comprehensive range of pre-designed products and services aims to optimize supply chains, boost profits, and cater to diverse markets and industries. With a single call, we provide end-to-end solutions, from research and development to intricate custom package design, empowering you to package for maximum profitability.

EMPOWERING BUSINESSES OF ALL SIZES

We have collaborated with companies of various scales, recognizing the unique needs of small entrepreneurs who may require additional support and time to explore their options. Our track record of inspiring success stories showcases the transformative impact we can achieve for your products, brand, and bottom line.

FROM SILICA SAND TO LEAN PRODUCTION

At Feemio, every step of the process, from designing and manufacturing to assembly and packaging, takes place in our state-of-the-art China factory. Our advanced forming and plant equipment enable us to provide tailored turnkey solutions that cater to your specific requirements.

UNLEASHING INNOVATION THROUGH BOTTLE DESIGN

Our innovative Bottle Design Center ensures that new glass design projects not only feature exceptional packaging but also reach the market promptly and within budget.

A LEGACY OF GROWTH

With a strong foundation dating back to 1988, our company has evolved into a formidable force in manufacturing and packaging. Over the past 30+ years, Feemio has emerged as a leader in China's glass container industry, and we eagerly anticipate reaching new milestones in the future.

INNOVATE

IGNITING BOUNDLESS INNOVATION

Our commitment to innovation extends beyond mere processes; it is ingrained in our culture at Feemio. With a fervent passion for creativity, we have established ourselves as a global leader in manufacturing and packaging.

By continuously embracing emerging technologies and nurturing a spirit of exploration, we strive to revolutionize bottle packaging. Our aim is to provide our customers with novel and exhilarating solutions that enhance their products.

At Feemio, we firmly believe that the possibilities for achieving exceptional packaging designs are limitless.

CUTTING-EDGE DESIGNS

Harnessing the timeless allure of glass, we at Feemio have united its natural beauty with the expertise and creativity of our designers. The result is a collection of striking bottles and jars, available in a plethora of Pantone colors, tailored for food and beverage brands. In response to the growing need for distinctive shelf presence, we have embarked on a journey of innovation, producing revolutionary glass bottle designs. Our commitment to excellence has been acknowledged with prestigious awards, honoring the exceptional quality of our creations.

UNLEASHING CREATIVE EXCELLENCE IN GLASS

We possess a discerning eye for glass, bringing creative inspiration to life. Our focus is on developing packaging solutions that consistently elevate the customer experience.

BOTTLE ART INSPIRATION

From fusing and stained glass to etching and mosaics, our glass bottles serve as a canvas for spectacular art. Discover a wealth of creative ideas below, curated by Roetell and fellow artists like you, to ignite your imagination.

ABOUT US
